

2nd Congress of the Romanian Rhinologic Society

4th - 6th
September
2013

Dear Colleagues,

On behalf of the Romanian Rhinologic Society, a young but dynamic scientific organization, we are glad to propose Piatra Neamt, an interesting place where traditions and ancient cultural values join modernism, to host the 2nd Congress of the Romanian Rhinologic Society.

We strongly believe that our proved scientific and organizational expertise together with the attractions of this town and moldavian monasteries will help us organizing a fruitful ideas exchange and to offer the participants nice memories from this part of the world.

Prof. Codrut Sarfoleanu
General Secretary of the Romanian Rhinologic Society
